Highlands Regional Master Plan Monitoring Program

Timeline & Overview

What is the Monitoring Program?

- Addresses periodic RMP update requirement in the Highlands Act (Act).
- Consists of three main components:
 - Public Outreach and State Agency Coordination
 - Fiscal Impact Assessment
 - Monitoring Program Recommendation Report

What is the Monitoring Program?

- Not intended to amend the RMP, but rather develop factual foundation for potential amendments to the current or future iterations of the RMP.
- Indicators and milestones will help to identify where RMP policy is most effective, and where amendments may be called for.
- Based on factual outcomes Council may choose to make policy or programmatic changes to the RMP or recommend further study
